4 Person Scramble – Each 4-person team will play a normal scramble format. Each 4-person team tees off, you select the best shot, and your partners will also play from that new location. This process is done until the ball is holed. You get one club length from the spot you select and you must stay in the same condition, not nearer the hole: rough, fairway, fringe or penalty area. When you are on the putting surface you get 3" either side of the spot selected, not nearer the hole. If you are 70 years of age & over or have a 40 handicap an above, you may play from the silver tees. Prizes will be paid out in Golf Shop certificates and amounts will be based on the number of entries taken in.

Sunday – 9:00 Shotgun Start followed by Lunch at the Lodge

Sunday Skins – Team skins will be based on the 4-person scramble team gross score versus the field of players that get into the game. All skins will be paid out in Golf Shop gift certificates.

Please fill out entry form in its entirety and please write legibly. All correspondence will be through email.
